#### **Part 3:** Infrastructure

#### **Our company's main mission** remains the same:

Fine Techno Engineers a professionally managed enterprise which focuses on innovation and entrepreneurship as key driver to its success & growth.

# About Company

One Of The Most Leading Manufacturing Company! We produce positive results from ever-growing manufacturing estates, established a corporate mandate to maintain strong values. Fine techno Engineers a professionally managed enterprise which focuses on innovation and Entrepreneurship as key driver to its success & growth.

This facility is located at GIDC KathWada, Ahmedabad with world class infrastructure for Fabrication, Parts Manufacturing, Machining & Assembly.

As a philosophy FTE has kept its infrastructure current to the corporate expansion needs, Gap is always found for having large size Heavy Duty machines. Even lifting capability is designed to take up large size heavy tonnage jobs.

Fine techno Engineers Core strength lies in its ability to understand and execute critical engineering tasks.

We believe that in engineering every thing is possible if significant efforts are taken in right direction with optimal usage of the available resources.
